Dear Dr. Lee:

I cannot thank you enough for all of the good work you did in arranging for our visit to Taiwan. It was a wonderful several days, and we are grateful for your leadership of our alumni program. I can assure you that your willingness to fly Ohio State's flag so very high in that part of the world makes an enormous difference. And, of course, I cannot thank you enough for the scholarship, which will make an enormous difference also.

Please know of my congratulations and best wishes.

Cordially,

Dear Steven,

President Gee and I very much enjoyed our visit to Taiwan, and are especially appreciative of the hospitality accorded to us during our recent visit. We are excited by the prospect of even closer ties with our counterparts in Taiwan, building on past years of successful collaboration.

President Gee and I are particularly grateful to you for hosting the gathering of Ohio State University Alumni at the Grand Hotel. It was a wonderful evening, and we appreciated all the hard work that went into organizing it.

I have been visiting Taiwan regularly since 1983. I can say that in the 28 years since my first visit I have never encountered such an enthusiastic response to suggestions of international collaboration. President Gee and I were heartened by the reception we received everywhere we went, and look forward to many years of fruitful collaboration with our Taiwanese colleagues.

Sincerely Yours,
