

Dear Taiwan Club members,

I would like to take this opportunity to thank you for awarding your generous \$987 scholarship for me. I was very appreciative to learn that I was selected as the recipient of your scholarship. Your support has kept me from worrying so much about the cost of tuition as an international student.

I am the second generation of my family to attend in a college. I have just begun my career as a freshman at The Ohio State University, which provides the finest Business programs and the library resources in the U.S. I am currently majoring in Business and I would like to choose Finance as my specialization next year. I choose this field because I have always been interested in business since I was in middle school.

Thank you again for your generosity and support. By awarding me this scholarship, you have lightened my financial burden and allow me to focus more on my studies. I hope I will be able to help others to accomplish their goals in the future just as you have helped me.

Sincerely,

Ling Lee
