

***The Comforter*** by Gloria 鄭盈潔

When looking back,  
I find you are always by my side.  
Protect my life, instruct my way,  
And forever be my light.  
You are refuge,  
In adversity.  
You are my road,  
In extremity.

Hence,  
I will praise you  
Before all gods,  
For your mercy is stronger  
Than anything.

When looking back,  
I find you are always by my side.  
Protect my life, instruct my way,  
And forever be my light.

You are lease of life  
When I am hopeless.  
You are lamp  
In darkness.

Thus,  
I will exalt you  
In the heathen,  
For your love  
Is everlasting.
